Fundraising

Fundraising can make a huge impact on an organisation, a struggling centre, or even a family in your community. What better way to help others feel empowered than to help raise funds needed to help benefit them?

A community can grow together while trying to reach a common goal.

Here are a few examples of what others have done:

- Medical students took people's blood pressure as they descended from Croagh Patrick, in County Mayo to raise funds for a Heart Charity.
- An IT company in Dublin hosted a denim day at the office. For one euro employees could wear their casual Friday clothes on a Monday and contribute to a nearby second-hand shop.
- Secondary school students in County Tipperary prepared a cakesale and were allowed to set up their shop in the local Tesco.
- Primary school students in County Galway went door-to-door on a coin drive collecting change to purchase winter hats and gloves for those in need of them.
- Women in County Carlow took part in a public knit-a-thon in the middle of the town, knitting hats for Innocent Smoothies. For each hat produced, Innocent Smoothies donated 25c to Age Action Ireland.

CASE STUDY:

Make a dish for Make a Wish

INITIATED BY:

Pfizer Pharmaceuticals

WHERE DID IT TAKE PLACE:

In various Pfizer Sites across the country.

WHAT TOOK PLACE:

Colleagues came together to share lunch. Everyone brought a different dish and donated a couple of euro to the Make a Wish Foundation.

OUTCOMES:

Pfizer Pharmaceuticals raised enough money to grant a wish to a sick child.
