## Welcoming All, Growing Together

Volunteer Ireland has created this charter to help organisations and volunteers improve their experience. It is up to each organisation to ensure they follow the Charter when they sign up. Volunteer Ireland does not accept any responsibility for checking adherence to the charter.

# The Volunteer Charter

The Volunteer Charter comes in two segments, one for Organisations and one for volunteers and can be used to clarify expectations from both sides when a volunteer takes up a role in your organisation. By implementing this Volunteer Charter, you are creating a clear foundation of the relationship with volunteers and by ensuring the charter is followed, you are generating an increased quality in the volunteering experience.

The Volunteer Charter currently impacts over **48,036 volunteers** in Ireland listed in the organisations below.
